

MILL ROAD – PLASTIC BAG FREE LEADING THE WAY

It is planned to launch the 'No Mill Road Plastic Bags' Campaign on 6th December at Mill Road Winter Fair. There will be a stall at (details to follow – but somewhere near the bridge) where leaflets about the campaign and some free cloth bags will be available.

Mill Road Plastic Bag Free

Most people in Cambridge will be aware that Girton has managed to go plastic bag-free and Modbury in Devon. However, Mill Road, with in excess of 120 businesses on the length from the Swimming Pool to Romsey Mill, will be much the largest community to abandon plastic bags.

Let's show every one else the way! Join us in reducing the numbers of plastic bags on Mill Road and making a contribution to caring for the environment.

The following businesses on Mill Road have already signed up in one way or another to support the 'No Mill Road Plastic Bags' Campaign:

Al-Amin
Andrew Northrop
Arjuna Wholefoods
Artsunlimited
Bacchanalia
Balv's
Bangla Bazaar

Woodfines, Winter & Bullock

Some traders are faced with the difficulty of supply takeaways which might leak, and others are concerned about carrying heavy goods, or paper goods, in paper bags when it is wet. Wet? In Cambridge? Many of these have signed under 'c' above. We are investigating alternatives means of carrying goods for them.
